

AGGREKO GIVEN A LICENSE TO BE THRILLED AT BLUESKY

BACKGROUND

Aggreko plc is the global leader in the rental of power, temperature control and oil-free compressed air systems. They help companies increase profits by creating opportunities, solving problems and reducing risk using their unique network of global locations, equipment and technical services.

With 100 locations in 29 countries Aggreko offer 24/7 services to companies across a variety of industries.

THE BRIEF

Aggreko contacted BlueSky Experiences, the award winning team building and event management specialist looking to organise a business update meeting with fun team building being the major part of the event.

The company were bringing several of their key people from overseas as well as their chief executive, Rupert Soames, to Scotland for the meeting and wanted to run a unique event that would leave a lasting impression on everyone.

THE AGGREKO MEETING & TEAM BUILDING EVENT

The creative team at BlueSky Experiences set about developing a day to remember for the 150 delegates from Aggreko.

The company held a business update meeting at the conference centre in the morning, where the 'Bachilton' room was set up for 150 theatre style with full AV support. Following lunch the group split into 4 activity zones which the participants had prioritized prior to the day.

The **Motorized Zone** included quad bike trekking through some of Perthshire's stunning scenery. Conquering the toughest of terrains using Argocats and flying around in Hovercrafts.

Not for the faint hearted, the **Fun Zone** included the bungee run, human table football, gladiator dueling as well as sumo wrestling in life sized inflatable suits.

The **High Ropes Zone** gave those with a head for heights, an opportunity to take part in Scotland's newest high ropes experience and descend at speed down a 125metre zip wire, climb a 65ft tree and take on the 40ft giant Jacob's Ladder.

For those who like all things country, the **Country Zone** gave the Aggreko team a chance to try their hand at laser clay shooting. As well as honing their accuracy skills with the hugely addictive sport of archery. To make the zone complete, a mini-highland games was laid on to give the team a chance to participate in the finest of Scottish sports, including 'haggis hurling'!

The Aggreko team came back into the centre and changed for a **James Bond Evening** that would leave them 'shaken, not stirred'. During pre-dinner drinks the Aggreko 'spooks' participated in some 007 games including a shooting gallery, bomb disposals and code breaking. During dinner the team took part in a 'For Your Eyes Only' quiz to find out who the real James Bond and Miss Money Penny were amongst the Aggreko team.

After dinner, the climax of the evening was a glamorous Casino Royale. The high roller's casino for the night included roulette, black jack and poker. After fourteen hours of full-on fun the team boarded the coaches back to Dumbarton.

Rae Law from Aggreko commented: *"BlueSky Experiences were recommended to us by our parent company who had worked with them the previous year and were very impressed. We were looking for an exciting action packed day and they certainly delivered that."*

Rae added: *"The BlueSky team is very professional and extremely well organised but on an informal scale, making us all feel welcome and relaxed. The feedback from the team post event has been terrific with some saying that this was the best event they had ever been on. We will definitely be working with BlueSky again."*
